Re:

Request for payment of 2021 Emmaus Europe membership dues and 2020 reminder

Dear friends,

During these difficult times, each of our groups has experienced the risks of isolation, as well as the good fortune of belonging to a large movement, being able to stick together and rely on each other, and look to the future together, in order to build a fairer world.

Just like every year, Emmaus Europe needs your membership dues to carry out its remit: facilitating the life of the region and exchanges between groups, supporting new members joining the movement, developing solidarity at the regional level, continuing our advocacy work at the European level on the topics that are dear to us, and so on.

To enable our region to continue its work despite the current difficulties, please send the secretariat your 2021 membership dues before 31 March, based on the attached membership dues scale. Some groups have also forgotten to pay their 2019 or 2020 dues. We are counting on them to get up to date with their dues as soon as possible. Please get in touch with the Secretariat if you have any difficulties.

Thank you to everyone for contributing to the life of the movement.
