Subject - 2026 membership dues request for payment

Dear friends,

Just like every year, Emmaus Europe needs your membership dues in order to successfully accomplish its daily work: facilitating the life of the region and exchanges between groups, supporting new members joining the movement in countries with no national organisation, developing solidarity at the regional level, continuing our advocacy work at the European level on the topics that are dear to us, and so on.

Important meetings have already been arranged by Emmaus Europe for 2026, such as the cross-collective (Poland, Ukraine, Romania and Georgia) in early June to work on group independence, the meeting of national organisations in late June, and the EE Football Tournament for Peace and Human Rights in Srebrenica in July.

And there is no shortage of advocacy issues this year, with European draft legislation that we have been tracking since the start of this period of office now on the table at the European Parliament and Commission: the revision of the Waste Directive and the WEEE Directive, the new Circular Economy Action Plan, and the draft EU Anti-Poverty Strategy. We also remain very actively focused on the European textile crisis.

To enable our team to continue its work, please send the secretariat your 2026 membership dues by 15 June 2026, based on the attached membership dues scale. Please get in touch with the Secretariat if your group has any difficulty paying the dues.

Finally, this World Assembly year will also enable us to elect new members to sit on the EE Board at a European elective assembly to be held on the morning of the day that the World Assembly gets underway. **We will be delighted to see you there and we remind you that you need to be up to date with your dues from the past three years in order to vote.** If you are unable to attend, **we look forward to receiving your proxy votes** in order to help us reach the quorum required by our statutes.

Thank you for your contribution to the European life of the movement!
