THANK YOU!

Your donation will enable us to fund our social, environmental and solidarity work!

Thank you for saving your good quality items for Emmaus, giving them a new lease of life and enabling others to benefit from them.

WHAT IS A GOOD QUALITY DONATION TO EMMAUS?

At Emmaus, we accept your homewarei, trinkets, furniture, clothes, books, electronics and household appliances, provided they meet these two conditions:

CLEAN AND IN GOOD CONDITION	CAN BE USED BY OTHERS
Clothes without stains, holes or bobbles, games with no missing pieces, and in working order for electrical appliances!	An item that will make its future owner happy or which you yourself would have been delighted to find at Emmaus!

WHAT IS THE IMPACT OF YOUR DONATION?

- **Emmaus works in 20 countries in Europe,** supporting people experiencing hardship and helping them improve their lives.
- **Within Emmaus groups, the people we support** help collect, sort, recycle and resell your donations. This provides them with meaningful work opportunities, develops new skills, rebuilds their confidence and independence, and helps them build a brighter future.
- Thanks to your donations, people supported by Emmaus can also take part in **solidarity initiatives that help other people facing hardship - in our cities, across Europe and in other parts of the world.**
